

## Terms And Conditions of Alien Photonics

Welcome to alienphotonics.com, website of Alien Photonics. These terms and conditions govern our website (alienphotonics.com), services we offer, including use of forms for inquiries about our products.

By you using the website or above-mentioned forms, we assume that you consent for these terms and conditions. Do not use the website if you do not agree to all of the terms and conditions stated on this document (you can still call us +370 611 47 000).

### 1. Use of Our Website and Services

- 1.1. Product Information: The information provided on our website about laser optical components is for general informational purposes. While we strive for accuracy, due to continuous improvements we do not warrant the completeness or accuracy of this information.
- 1.2. Form Submissions: By submitting a form on our website, you agree to provide true, accurate, and complete information about yourself and/or your organization. We use this information to respond to your inquiries and to provide information about our products.

## 2. Intellectual Property Rights

- 2.1. The content on our website, including text, graphics, logos, and images related to optical components, is our property or is used with permission and is protected by copyright and intellectual property laws.

## 3. Restrictions

You are prohibited from:

- 3.1. Using our website in a way that is harmful, unlawful, or infringes on the rights of others
- 3.2. Engaging in data mining, data harvesting, or any other similar activity in relation to our website
- 3.3. Using our website to engage in advertising or marketing without our express written consent

## 4. Your Privacy

- 4.1. Please review our Privacy Policy, which also governs your visit to our website and explains our practices.

## 5. Changes to Terms

5.1. We reserve the right to make changes to these Terms and Conditions at any time. Your continued use of the website following any changes indicates your acceptance of the new Terms and Conditions.

## 6. Governing Law

6.1. These Terms and Conditions are governed by European Union and Lithuanian laws, and any disputes related to these terms will be subject to the exclusive jurisdiction of the courts of Lithuania.

## 7. Contact Us

For any questions about these Terms and Conditions, please contact us at [info@alienphotonics.com](mailto:info@alienphotonics.com)
